

We drive security so you can focus on selling vehicles.

COVER ALL BASES

Your dealership is vulnerable to a variety of threats, ranging from burglaries to fire to false slip-and-fall claims. Fortunately, you have a partner in protection. Sonitrol is the third largest commercial security provider in North America—and the verified leader in electronic security. Our unique verified audio & video detection deliver comprehensive protection for your dealership, with low false alarms, lightning-quick police response, and the highest apprehension rate in the industry. Our integrated suite of security solutions includes audio & video intrusion detection, managed access control, video surveillance, fire detection, and 24/7 monitoring by trained professionals. Whether you have a single dealership or a regional chain, our modular, scalable designs make it easy to protect your business today and meet your needs as your business grows.
